

RESOLUTION NO. 2931

A RESOLUTION AMENDING RESOLUTION 2874, AS AMENDED BY RESOLUTION 2902, TO EXTEND THE SUSPENSION OF THE EXTRA STRENGTH CHARGE

Findings:

- A. In Resolution 2874, the City Council suspended the sewer extra strength charge until July 1, 2013, to allow the City to put in place a new extra strength charge methodology. The City Council extended the suspension to December 1, 2013, by Resolution 2902.
- B. City staff and the citizen's committee working on the new extra strength charge have developed a thorough and fair methodology for a revised sewer extra strength charge program, but it will take time to implement the new program.

THE CITY COUNCIL OF THE CITY OF BEND RESOLVES AS FOLLOWS:

- 1. Section 1 of Resolution 2874 is amended to read:

The extra-strength charge imposed by Section 5.2.05a of the Fee Resolution (Resolution No. 2838 as amended by Resolutions 2847 and 2852) is suspended. The suspension takes effect for the period beginning May 1, 2012 through July 1, 2014. The suspension will remain in effect until a new extra-strength charge formula or approach is adopted and effective. If no new formula or approach is adopted by July 1, 2014 the suspension shall terminate and the existing extra strength charge as found in Section 5.2.05a of the Fee Resolution shall be reinstated. If the new program is adopted and effective by that date, the old program and rate shall be terminated
