

# SNOW REMOVAL GUIDELINES FOR APARTMENT / HOTELS / MOTELS

*Good Snow Removal Procedures = Good Business & Customer Service*

A good snow removal policy is ongoing; shoveling and plowing may be required numerous times. Snow plows may move more snow onto your sidewalk, as a property owner it is still your responsibility to keep the sidewalk clear. To locate a contractor to assist with snow removal, please contact the City's Code Enforcement Department at 541-312-4908.

Clear snow from adjacent sidewalks next to streets and internal routes within complex. Keep accessible routes/walks (including outdoor stairs), accessible parking spaces and access aisles clear of snow and ice. Ensure contractors plow to ensure accessible parking spaces and access aisle are clear of snow and ice. Ensure routes to mailboxes and other amenity areas are free from snow and ice.
