

SNOW REMOVAL GUIDELINES FOR BUSINESS CORRIDORS

Good Snow Removal Procedures = Good Business & Customer Service

- A** Clear snow from adjacent sidewalks
- B** Clear snow from accessible routes/parking spaces/aisles/curb ramps
- C** Store snow in landscaped areas
- D** Clear snow 3 feet around fire hydrants

A good snow removal policy is ongoing; shoveling and plowing may be required numerous times. Snow plows may move more snow onto your sidewalk, as a property owner it is still your responsibility to keep the sidewalk clear. To locate a contractor to assist with snow removal, please contact the City's Code Enforcement Department at 541-312-4908.

Businesses on streets – Clear snow from adjacent sidewalks, accessible routes, accessible parking spaces, access aisles and curb ramps within first 6 hours after snow fall. Apply an ice melt (not rock salt) to walks and routes to allow your customers easy access.
