No fee to enter  
Open to amateur filmmakers only from 5-12<sup>th</sup> grade  
Check out last year's winner:  
<https://www.youtube.com/watch?v=DRbZVDpTGX4>

## FOCUS

We're looking to show why pollution prevention is important in Bend and how to prevent sewer overflows into our homes, businesses, streets, and waterways.

Title: WIPES OUT!  
Don't flush "flushable" wipes.

Consider: *Preventing Sewer Overflows*

- Are flushable wipes really flushable?
- Where does clogged sewage go, inside and outside?
- The sewage system is separate from the storm drain system in Bend, but sewage overflows in the street can enter the storm drain system
- What can happen to public health, and our waterways when the sewer system clogs and sewage overflows?
- What is needed to clean it up? Who pays?

## AWARDS

### Grand Prize:

- \$150
- Professional reproduction of film for local TV on-air flight  
– See Rules & Guidelines
- Film screened at:  
BendFilm Future Filmmaker event
