

INITIAL CLIMATE ACTION PLAN FEEDBACK
BEND ECONOMIC DEVELOPMENT ADVISORY BOARD
SEPTEMBER 9, 2019

- Emphasize that the resolution calls for voluntary actions to reduce GHG emissions
- Prioritize actions with a demonstrated return on investment
- Areas for further discussion:
 - Solar Initiatives:
 - Will solar easements impact areas where dense development is planned? (i.e. the Bend Central District)
 - Home/Commercial Building Energy Scores:
 - Potential cost impact vs. return
 - Regulatory nature of these requirements
 - Low Carbon Concrete:
 - This was a new addition since the BEDAB discussion, questions about cost and availability
