

CITIZEN REPORT

CITIZENS of the City of Bend:

A relationship of trust and confidence between the members of the police department and the community that they serve is essential for effective law enforcement. Law enforcement officers must be free to exercise their best judgement and to initiate enforcement action in a reasonable manner without fear of reprisal. So too, enforcers of the law have a special obligation to meticulously respect the rights of all persons.

The City of Bend Police Department acknowledges its responsibility to provide a just and open investigation of citizen complaints regarding the conduct of its members.

You will be notified of the results of your complaint upon the completion of the investigation.
