Connecting Talent To Opportunity

# Statewide landscape

## Local workforce boards:

- Designated by Governor
- Predominately Federally funded
- Oversee and align services in public workforce system, branded as “WorkSource”
- Convene Industry and support partners to collectively address workforce challenges
- Co-invest in training and work readiness services

# Strategies

- Leverage federal infrastructure investments
- Align existing state and local resources and systems to better address local employer needs
- Sector Partnerships – Health Care, Construction, Manufacturing and Tech
- Co-invest in workforce training – foundations, competitive grants and industry investments
- Invest in programs that prepare target populations to meet industry needs
  - Emergent workforce
  - English Language Learners
  - Justice system impacted

# WorkSource

- Recruitment, screening and referral of qualified candidates
- Scholarships – post secondary training that does not qualify for FAFSA
- On the Job Training resources – up to \$5,000 per trainee
- Work experience or paid internships – youth and adults
