

Water-Wise Landscape Field Day

Join us for a Field Day at the Hollinshead Barn and Water-wise Garden.

**Hollinshead
Park Barn**

1235 NE Jones Rd.
Bend

**9 am
to
2 pm**

**Sunday
June 26th
2022**

Transitioning to a Water-wise landscape is an easy, enjoyable way to protect one of our most valuable resources, water. Water-wise gardens are far from boring, they are highly functional, rich in color and texture, and provide important habitat for native pollinators.

Event Line Up

Presentations

Local professionals will give 30-minute presentations on the following topics:

- The local drought situation and ways to conserve water in your landscape
- Dealing with your lawn during a drought
- Irrigation - Best practices of irrigation efficiency
- How to reduce fire risk in your home landscape

**Hollinshead

Gardeners**

Demonstration and Display Booths

Visit our outdoor display booths where the latest information on water-wise plants, resource conservation, local guidelines, and irrigation technology will help you make your transition to a water-wise landscape.

This event has limited space. Request attendance by emailing us at conservation@bendoregon.gov. A confirmation email will be returned.

A collaborative effort brought to you by the City of Bend WaterWise Program, OSU Extension, and the Central Oregon Master Gardeners Association.
