 Road Closure for Roundabout Construction

 Detour Route

10' Shared Use Path

Shared Use Path

Separated 10-foot wide shared-use path:

- on the north side of Bear Creek Road between Cessna Drive and the eastern urban growth boundary, just east of 27th Street, and
- on the west side of 27th Street between Reed Market Road and Highway 20.

What to Expect During Construction

- Full closure of the intersection at Bear Creek Road, Pettigrew Road and Purcell Boulevard beginning June 2.

Note: If construction of the intersection extends into winter, the roadway will re-open temporarily and close again in spring 2026 when asphalt plants are in operation.

- Expect delays. See detour map above.
- Lane shifts will be required during construction of shared use path.
- Noise, dust and heavy equipment
- For your safety, please stay out of construction areas

Project Schedule

- Construction begins - June 2, 2025
- Estimated Completion - Fall 2026

Note: Dates are estimates and subject to change.

Once complete, the project will deliver a long-desired improvement to intersection safety and time reliability, and provide safer connections for travelers walking, biking and rolling between neighborhoods, schools, parks, trails and businesses in the area.

New Roundabout

A new roundabout at the intersection of Bear Creek Road, Pettigrew Road and Purcell Boulevard will improve safety and efficiency for all modes of travel.

Accommodation Information for People with Disabilities
