Lesson 1 Practice:
Fill in the Missing Letters

1. **SPLITTER ISLAND**
   This pedestrian safety zone allows you to cross one direction of traffic at a time.

2. **CROSSWALK**
   Only cross the street in this.
   1. Make sure drivers see you. Make eye contact!
   2. Wait for drivers to stop.
   3. Step off the curb only when traffic is stopped.

3. **SIDEWALK**
   This area is shared by walkers and bikers. Take care. Walk your bike, so you don't run over Moms and Grandfathers!

4. **BIKE EXIT RAMP**
   Roundabouts allow bikers to exit to the sidewalk to get to the crosswalks.

5. **BIKE LANE**
   Bikers travel in their own lane along the roadway.
Lesson 2: SIGNS in the Roundabout

Fill in the sign number that matches the name and description given below

<table>
<thead>
<tr>
<th>Name of Sign</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>3 School Zone</td>
<td>Alerts drivers they are approaching a school area and must slow down (Hint: pentagon shaped).</td>
</tr>
<tr>
<td>2 Yield</td>
<td>Requires motorists to slow or stop to avoid other vehicles at an intersection (Hint: triangular shaped).</td>
</tr>
<tr>
<td>1 Circular Intersection</td>
<td>Warns drivers they are approaching a circular intersection (Hint: chasing arrows).</td>
</tr>
<tr>
<td>6 Pedestrian Crossing</td>
<td>Alerts drivers of pedestrian crossing (Hint: shows exactly where a pedestrian should cross).</td>
</tr>
<tr>
<td>5 Yield Ahead</td>
<td>Warns drivers there is a yield ahead (Hint: square sign).</td>
</tr>
<tr>
<td>4 One Way</td>
<td>Requires travel in one direction only (Hint: the arrow points the way).</td>
</tr>
</tbody>
</table>
Lesson 2 Practice: True or False?

You should only cross the street in the crosswalk. **T**  **F**

Drivers can travel in either direction when they see this One-Way sign. **T**  **F**

School zones require extra caution from drivers. Drivers are required to slow down in a school zone. **T**  **F**

This warning sign tells drivers to prepare for the roundabout. **T**  **F**
Lesson 3 Practice:
Pedestrians in the Roundabout

When I'm going to cross the street at a roundabout I always:

1. Make sure drivers see you—make eye contact with the driver!
2. Step off curb when traffic is stopped.
3. Wait for drivers to stop.
4. You've made it to the splitter island!
5. Repeat steps 1-2-3 to complete your crossing!
Lesson 4 Practice:
Bicycles in the Roundabout

END HERE
(Did you remember to walk your bike in the crosswalk?)

Trace your path from the bike lane through the crosswalk

This is You!
START HERE. Your goal is to exit the bike lane and get to the crosswalk without running over anyone on the sidewalk.
Lesson Practice 5:
Circle All the Safety Mistakes

1. Entering vehicle did not yield!
2. Pedestrian did not wait for traffic to stop!
3. Remember—"in here-get clear" vehicles should clear the intersection for emergency vehicles.
4. Walk your bike in the crosswalk!
5. Don't forget your helmet!
6. Perfect! Good job, pedestrian!
7. Never change lanes in an intersection!

(Hint: there are at least 5)
Lesson 2 Quiz: Roundabout Sign Locations and Names

WRITE THE NAME OF THE SIGN

A. Yield Ahead

B. Circular Intersection

C. Yield

D. One Way

E. Pedestrian Crossing
Lesson 3 Quiz:
Identify 3 Steps to Cross the Street

1. Make sure drivers see you
2. Wait for drivers to stop
3. Step off curb when traffic stops
Lesson 4 Quiz:
Getting to School with the Roundabout

Draw the path you should take to get to school from home.

SCHOOL

Can you find a different path to go home?

HOME
Lesson 5 Quiz:

Emergency Vehicles: Let Them Quickly Through!

Let police cars and ambulances and fire trucks quickly through!

Color the roads near a roundabout where drivers should pull over to the RIGHT AND STOP.

Use a different color to color the part of the roundabout where drivers should CLEAR THE INTERSECTION.
